

THE HAMLIN HERALD

IN 33RD YEAR—EVERY WEEK SINCE 1905

FRIDAY, APRIL 15, 1938

HAMLIN, JONES COUNTY, TEXAS,

NUMBER 24

REPRESENTATIVE

HOWARD DAVISON
of Rotan.

Hon. Howard Davison, State Representative of Fisher and Nolan counties, was in Hamlin Wednesday, and while here indicated he would not be a candidate for that office again, but would announce soon for District Attorney of the 184th District, composed of Fisher, Jones and Taylor counties.

HIGH SCHOOL P. T. A.

The High School P. T. A. will meet Thursday afternoon at 4:00 o'clock, April 21, at the High School auditorium for the final meeting of the year.

New officers will be installed and plans for the coming year discussed. Every parents is invited to be present.

Miss Ann Ferguson, a student in Texas Tech, is at home to spend the Easter holidays with her mother, Mrs. B. S. Ferguson.

CLIFFORD J. COLES BURIED MONDAY

Funeral services for Clifford J. Coles were held Monday afternoon at three o'clock conducted by Minister Virgil Jackson, of McCauley, assisted by Minister Erwin Driskell, of Abilene. Interment was in East Cemetery under the direction of Barrow Undertaking Company.

Clifford Coles was fatally injured in an auto accident Tuesday night, April 5, about 11:30 o'clock between Kermit and Monahans. He, with two other boys and three girls, were returning from Monahans to Jay, New Mexico when on a curve their car was struck by a Packard sedan. Clifford and two of the girls were seriously injured and were rushed to Dr. Douglass' Hospital in Monahans where they received treatment. Later Clifford was taken to a hospital in Jal and then on to the Lubbock Hospital where he died Sunday evening.

Clifford Coles was the son of Mr. and Mrs. C. T. Coles, of Hamlin, but for several months he had been living in Jal, New Mexico, where he was employed in the welding and machine shop of his brother-in-law, A. A. Hazeltine.

He was born September 3, 1918 and at the time of his death was 19 years, 7 months and 3 days of age. He had attended school at Neinda and had attended the Hamlin High School. He was a member of the Church of Christ.

Besides his parents he is survived by two sisters, Mrs. A. A. Hazeltine, of Jal, New Mexico, and Mrs. Vada Fullbright, of San Antonio; four brothers, Nathaniel Wash, of Stamford, Pat Neff Coles, Dan Wesley Coles and Ray Coles, of Hamlin. All were present for the funeral.

Others from out of town, attending the funeral were his fiancée, Miss

MRS. R. W. OWEN DIED MONDAY

Mrs. R. W. Owen died at the Hendrick Memorial Hospital in Abilene, Monday morning at 7:30 o'clock. She had been ill only a few days and had been taken on Sunday to the hospital for treatment, where she succumbed to an attack of pneumonia. The body was returned to Hamlin where funeral services were held in the First Baptist Church, Tuesday afternoon at four o'clock, conducted by the pastor, Rev. J. Henry Littleton and Rev. H. W. Hanks, pastor of the Methodist Church.

Interment was in East Cemetery beside the grave of her husband who died in 1930. Burial was under the direction of Barrow Undertaking Company.

Mary Elizabeth Scarborough was born October 16, 1872 in Nashville, Tennessee. When only three years of age she came with her parents to east Texas where she grew to womanhood. On October 12, 1887 she was married to Russell William Owen in Celeste, Texas. Mr. and Mrs. Owen came to Jones County in September 1906 and lived on a farm near Radium, and in 1913 came to Hamlin where they made their home until Mr. Owen's death, since then Mrs. Owen had made her home with her daughter and her son-in-law, Mr. and Mrs. Frank Johnson.

Mrs. Owen was converted in early childhood and united with the Methodist Church. She lived a cheerful, consecrated, christian life, giving herself to her home and her children. For many years, because of ill health, she was unable to be active in her church work yet she maintained her membership in the home department of the Methodist Sunday School and looked forward with pleasure to the visits of her home department superintendent.

She is survived by six children, and ten grandchildren. The children are two sons, W. N. and Joe Owen, of Electra; four daughters, Mrs. L. E. Farris, of Slaton; Mrs. M. G. Gilreath, of Bronte; Mrs. Frank Johnson, of Hamlin and Mrs. P. S. Adams, of Beaumont. All were present for the funeral.

Out of town friends attending the funeral were Mr. and Mrs. J. E. Sullivan, Messrs. Earl McGregor, O. C. McPherson, J. C. Harris, T. E. Lewis and C. C. Stidham, of Electra; Mrs. J. A. Elliott, Miss Jewell Elliott and Mrs. T. J. Routh, of Abilene; Mrs. O. D. Wetherbee, Mrs. William Johnson, Mrs. Imogene Lane and Miss Hattie Bell Howard, of Rotan; W. M. Elliott, of Merkel and Mr. and Mrs. Joel Johnson, of Stamford.

Betty Jo Abbott, of McCauley, to whom he was to have been married this spring; Mrs. Della Rause, of Monahans, Joe Morris, of Goldthwaite, Miss Norma Lee Forbess, of Forsan, Mr. and Mrs. Graham and family, H. E. Young, of San Antonio, and his friend, Bill Jackson, of Jal, New Mexico, who was riding in the car with Clifford when the accident occurred.

CECIL EIVENS, BANKER, JOINS B. L. JONES, TEXACO

The Texas Oil Company in Hamlin has two former bankers now at the head of their agency here.

Just recently Cecil Eivens, who has been with the F. & M. Bank since the McCauley was consolidated with the Hamlin bank, has a half interest with B. L. Jones, who formerly was cashier of the former First National Bank of Hamlin.

Cecil Eivens has spent 15 years in the McCauley and Hamlin banks. He is an able business man and should team up fine with Mr. Jones.

Mr. and Mrs. W. A. Albritton left last Sunday to visit their daughter, Mrs. O. D. Roland, at Port Arthur, Texas, and other relatives in various places in Louisiana. They will be away, perhaps, two weeks.

Mr. and Mrs. Jack Gray received a message Monday that their brother-in-law had died suddenly at his home in Bakhito, Oklahoma. Mr. and Mrs. Gray were unable to attend the funeral.

Open the Door For

Crippled Children

Open the door and make way for a little fellow who can spend his play hours on crutches and still smile.

This lad, one of the thousands in the country who haven't received quite an even break physically, is coming in from a rather restrained romp to spend a little time with his books at a school for crippled children. It's time for geography and arithmetic.

You don't get that confident smile he is displaying from spending months in bed and looking forward to many more months on crutches. You don't get it from knowing the other kids are out playing baseball. You get it from such simple things as the sun above and the flowers blooming outside the door and from the knowledge that someone cares and is doing something to help you along.

Thousands of youngsters, starting out with crippled bodies, can tell you of the multitude of things which are being done to give them a better life. Thousands more are yet to be reached.

First there must be adequate facilities for treating the children and adults to give them the maximum use of their crippled muscles. There must be education — impossible

through normal channels. Adults require the aid of professional workers who can help in rehabilitation and vocational programs. Children need special education and helping hands to adjust them, socially.

This is the season to help—the season when the brightly colored Seals of the International Society for Crippled Children and its state and local affiliates go on sale.

The Seals carry the message to all parts of the country. They provide money for carrying on this vital work, for interesting others in its accomplishment. The 1938 Seals, bearing the slogan, "A Better Life for Crippled Children," now on sale here **BUY AND USE EASTER SEALS—HELP CRIPPLED CHILDREN**

Chairman Elmore announces the committees for the Easter Seal Sale for Hamlin is as follows:

Craig Elmore, Hamlin, Chairman. Joe McCrary, Vice Chairman. Haskell W. Carter, Treas. Arlie Cassle, Director of Publ. Roy Gilbreath, W. C. Russell, B. L. Jones, Henry Albritton.

In Jones County fifteen crippled children have received treatment and four children are now on the waiting list.

MRS. J. M. CHISM DIED SUNDAY

Almeda Victoria McCready was born in Cedar County, Iowa, April 20, 1858 and died April 10, 1938, being at the time of her death seventy-nine years, eleven months and twenty days.

At the early age of nine she was converted and united with the Presbyterian Church, later uniting with the Church of Christ. She was ever a conscientious christian, doing what her hand found to do.

She moved with her parents to Grayson County, Texas in the spring of 1875. The next year the family moved to Stephens County near Crystal Falls. In 1881 she was married to J. M. Chism and for fifty-five years was his devoted companion. He preceded her in death almost two years. They made their home in Stephens, Shackelford and Young counties until 1899 when they went to Oklahoma where they had since made their home.

She became ill at the home of her daughter, Mrs. Earl Crow, March 18, to which illness she succumbed.

She leaves to mourn her going five sons, five daughters, twenty-eight grandchildren, twenty-two great grand children, two brothers, several nieces and nephews and a host of friends.

The funeral services were conducted by Mr. Erwin Driskill of A. C. C., Abilene, assisted by Mr. Bruce Proctor, of Hamlin. Mr. James Reynolds, of A. C. C. conducted the singing. The pall bearers were her grandsons and flowers girls her grand daughters. Interment was in East Cemetery, Hamlin.

Members of the family attending the services were her daughters, Mrs. D. A. Jones, Crystal Falls; Mrs. F. M. Crow, Mrs. W. E. Crow and Viola Chism, Hamlin; her brother, J. A. McCready, Lake View; her sister-in-law, Mrs. J. W. Chism, Ardmore, Oklahoma; nieces and nephews, Mr. and Mrs. Ross Ragan, Burkburnett; Mr. and Mrs. Matt Bridges and son, Carlton, Breckenridge; Mr. and Mrs. Paul T. Bailey and children, Paul and Maewyn, Abilene; Miss Mattie Crudington, Breckenridge; and Tilden McCready, Lake View. Grand children: Wilson and Maurice Crow, Stamford; Jeff Jones, Crystal Falls; Bill Jones, Frances and Evelyn Sullivan, Woodson; Victoria, Dorothy Nell, Valeta, Morjorie Beth, Howard, Horace and Milton Crow, of Hamlin.

Friends from a distance were Mr. and Mrs. D. M. Hamilton, Albert, Oklahoma; Mrs. M. A. Smith, Mrs. E. A. and Mrs. G. V. Thompson, Fort Cobb, Oklahoma.

COTTON CLUB ORGANIZED

Wise Chapel 4-H Club met at Wise Chapel school house for the purpose of organizing a cotton club which is being sponsored by the Extension Service of A. & M. College, and made possible by Anderson-Clayton and Company. The following boys are taking from three to five acres of cotton for their demonstration: J. C. Riddle, Kenneth Riddle, Dan Ray, Harold Green, Billie Green and Jack Vaughn.

These boys for the year are to plant the best seed of some variety. Make combings, control insects and study cotton classing.

The meeting was called by W. H. Touchstone, the local leader.

—Reporter.

Tom Teague, manager of the Hamlin Bryant-Link store, who has been sick for the past ten days with some kind of kidney trouble, was taken to an Abilene hospital Thursday for further examination and treatment. It is reported that Mr. Teague's condition is not so serious as at first thought, but he will likely have an operation as soon as his physician thinks advisable.

Mr. and Mrs. Charles Jeffries, of Fort Worth, spent last week ending their mother, Mrs. L. F. Young and other relatives. Mrs. Jeffries will be remembered by her friends here as Miss Alta Young.

Mrs. A. S. McKneely, of Longview, spent the week end here as a guest of Mr. and Mrs. T. R. Teagart and Mr. and Mrs. N. M. Armstrong.

COUNTY AGENT REPORTS THAT

D. C. Hines, poultry demonstrator of Lueders, has exceeded the standard egg production, by 23-16 eggs per hen. The standard for March being 18 eggs. The other poultry demonstrators are running close behind for the month, as follows: W. A. Crumpler averaged 16.5 eggs per hen; Lowell Smith averaged 16.6 eggs per hen; Mrs. G. H. Rennels averaged 17.5 eggs per hen; Mrs. C. L. Thurman averaged 17 eggs per hen. Each of these demonstrators fed a ration of mash and grain.

Dairy Day will be held in Abilene, on April 2nd, and the following from Jones County, have indicated they will enter one or more animals in this dairy show: Ralph Caffey, J. T. Williams, T. B. Douglas, R. L. Bohannon, Jess Roberts, J. W. Chandler, Ben T. Ray, L. E. Fielder and Jess Johnson. Any others interested in showing any of their dairy herd, will please contact the county agent's office.

The following information has been received:

"Where strips of soil depleting crops alternating with strips of legumes or fallow are three rows ten feet or more apart, such acreage is classified according to the actual acreage occupied by each. Where such soil depleting strips are less than three rows ten feet apart the entire acreage is considered to be interplanted and the entire acreage is classified as soil depleting."

"Either Sweet Sorghum or millet if cut for hay will not be classified as soil depleting in connection with 1938 program."

MEATS

O'Brien. Tommy Teaff returned home with them for a few days visit.

Mr. and Mrs. Charles Jeffries of Dallas spent last week with her mother, Mrs. L. F. Young, and other relatives.

Mr. and Mrs. Paul Young and Camp Young enjoyed a picnic with other friends and relatives at Sweetwater Lake Sunday.

Earl Brown and family spent Sunday with Mr. and Mrs. Ramon Elkins of Plasterco and attended the singing there. A large crowd from our community enjoyed the singing.

Miss Mildred Young of Abilene spent the week end with her parents, Mr. and Mrs. Thompson Young.

The many friends of Mr. J. E. Foote surprised him on Monday afternoon with a sunshine shower. He received many useful and attractive gifts. Refreshments consisting of sandwiches, cake and punch, were served by the hostesses, Mrs. Eldon

Pope and Mrs. Sam Tindal. We are glad to report Mr. Foote as still improving.

Next Sunday afternoon is our regular singing afternoon here. We are expecting some special numbers by singers from McCauley, Neinda and other places.

EXPRESSION OF THANKS

We wish to express our appreciation to our friends and neighbors for the many kindnesses and expressions of sympathy to us at the time of the tragic death of our loved one. We appreciate your beautiful floral offerings.

Mr. and Mrs. C. T. Cole and family.

Mrs. Frank Lawlis has as her guest this week her sister, Mrs. R. A. Wilson and little daughter, Maricille, of Dallas.

REPORT CLUB WORK

On March 22, 1938, the boys 4-H Club, of Noodle, held a called meeting. Mr. Lynch discussed the raising of cotton, maize, poultry, calves, pigs and milch cows.

Geln Morgan, Glendell and Weldon Barbee each got a nurse colt on March 25. They report fine results.

A few of the club boys are going to enter a cotton growing contest.

A pie supper has been planned for April 22. The proceeds will go for a land leveller which the club boys will use in running terrace lines in this community.

EASTER THEME USE IN DECORATIONS

Mmes. T. A. Thigpen, Art Carmichael and Arice Jones were co-hostesses for two lovely parties, Friday and Saturday afternoon, in the home of Mrs. Thigpen on Lake Drive, when they entertained with bridge.

An Easter theme was used in tables and other appointments. Favors were corsages of spring blossoms in pastel shades. At the refreshment hour, salads, cake and coffee were served.

Easter lilies were given as the high score prizes and attractive pieces of pottery were the low score prizes. In the games Friday afternoon Mrs. A. E. Pardue made high score and Mrs. Elmer Feagan the low score. In the play Saturday high score went to Miss Nadine Morgan and low score to Mrs. J. L. Keen.

Those playing Friday were Mmes. Henry Albright, Turner Bynum, Mac Brudage, M. T. Woodward, Elmer Feagan, R. E. Johnson, Joe Culbertson, Ted Blodsoe, F. D. Wells, P. A. Fowler, John Ed Day, G. H. Tomlin, A. E. Pardue, R. H. McCarty, Ernest Davis, Bob Lee, Lowell Ballew, Oscar Morgan, B. L. Jones and J. P. Morgan.

Saturday guest list included Miss Nadine Morgan, Mmes. J. L. Keen, Ray Willingham, John T. Day, R. B. Wiar, J. C. Culbertson, W. R. Calhoun, Bill Rountree, L. D. Hardin, Raymond Jones, Frank Waggoner, Tom Williams, H. O. Cassle and Dick Moore.

MRS. MART FARROW HOSTESS TO MERRY MAKERS

Mrs. Mart Farrow was hostess to Merry Makers Club in her home on Hope Avenue Friday evening.

Games of 84 were played after which a salad plate with cake and

coffee was served.

Those playing were Mr. and Mrs. H. O. Cassle, Mr. and Mrs. Ira Clements, Mr. and Mrs. R. B. Wiar, Dr. and Mrs. Joe McCrary, Mr. and Mrs. W. C. Russell, Mrs. W. H. Gilbert, Mrs. W. T. Cherry, Mrs. Ray Willingham, Mrs. Loy Friy; Messrs. Louis Ezell and Ray Willingham Jr.

TUESDAY CLUB ENTERTAINED BY MRS. J. C. CULBERTSON

Mrs. J. C. Culbertson entertained the Tuesday Club in her home Tuesday afternoon with two tables of Contract. Substitute hands were played by Mrs. Joe Culbertson, Mrs. Burns Eakin and Mrs. Jess Cory. High score for the club was made by Mrs. John T. Day and for guests by Mrs. Joe Culbertson.

A plate holding salad, sandwiches, punch and Easter favors was passed.

Club members present were Mrs. W. J. Poe, Mrs. John T. Day, Mrs. D. O. Sauls and Mrs. R. B. Wiar.

MRS. H. C. HARBER CLUB HOSTESS

The Busy Bees met with Mrs. H. C. Harber Wednesday, April 6. Almost three quilts were finished. We are growing bigger and better all the time. When we first started we thought one quilt was big news but now we quilt three and then go home early. We think we have one of the finest quilting clubs ever organized and we have noticed one thing, if anyone starts coming they won't miss, so take a hint, come join in the work and be sociable.

Those coming to Mrs. Harber's were: Mmes. Adolph Rainwater, Jess Treadwell, Urby Weaver, C. C. Street, Horace Jenkins, Elmer Joiner, Johnny Agnew, D. M. Harris, Banks Green, Buren Carlton, Clyde Stewart, Watts Fletcher, J. F. Vaughn, Dave Herbest, F. W. Poe,

W. L. Fletcher R. C. Hays, John Dutton, Will Fomby, Bert Fomby, Miss Marie Dutton, Carmun LaFerve, and Mrs. Harber.

We go Wednesday, April 20, to Mrs. O. L. Jenkins. Don't forget the time and place, bring your thimble and show everyone how you can quilt. —Reporter.

JUNIOR-SENIOR BANQUET

The outstanding event of the school year was the annual Junior-Senior Banquet held Friday evening, April 8, at 7:45 o'clock in the Methodist Church, when the Junior class was host to the Seniors and other friends.

A unique hotel motif was used in decorations and all appointments. The large banquet room was decorated to represent a crystal ball room. Festoons of varied colored balloons and green and white cellophane streamers hung from the ceiling with a large crystal ball suspended from the center. Large table bouquets of white flowers and green and white tapers centered the banquet tables where places were marked for 168 guests. Programs carried out the green and white color scheme and featured the hotel motif. Favors were miniature green suit cases filled with green and white mints. The featured decoration was a miniature twelve story hotel, complete in the most minute detail, which was placed at a vantage point in the banquet room. One of the attractive features of this hotel was the roof garden and the lighted sign H. H. S.

As the guests arrived they were directed to the check room where Florene Morgan and Bobby Stephens checked wraps and hats.

Guests entered the dining room where the grand march was led by

ADDING MACHINE rolls at the Herald office, 2 for 25c.

HELLO EVERYBODY

Friends and patrons, be sure and be at the high school auditorium early tonight. For promptly at 8:00 o'clock the introduction of characters will begin. This is a novel and attractive opening, so please be early so you won't miss it. Mary Murel Woodward and Craiglene Elmore, dressed in gold and purple satin page boy costumes, will act as heralds who introduce the director, stage manager, entire cast, property man, and queen of the Hamlin High School. Maxine Brundage and DeFrance Burton will furnish the music. The theme song, being played all during the introduction, is "The Waltz You Saved for Me."

The Seniors are preparing to give you a full evening's entertainment. Besides the play, "Headed for Eden," the between-act specialties are very good. Mrs. E. T. Pittard, of Anson, Speech Arts director, will be here with two of her pupils, Ruby Lee Thompson and Charles McCreeight. Effie Lois McCoy and Rosemary Carlton are going to sing, accompanied by Maxine Brundage. Lanelle Andress will sing, accompanied by Geneva Jo Maberry. Lester Morten will thrill you with his love songs. Ada Jane Howard will tap "Josephine."

We hope to please you with our play and our acts, so I'll sign off by saying, "We Seniors will be looking for you tonight." Thank you.

CARD OF THANKS

We wish to express our appreciation for every kindness shown us during the illness and death of our old friend, Uncle Milt Fravel.

Mrs. W. M. Keller,
Mr. and Mrs. L. E. Rector,
McCauley,

Mr. and Mrs. Turner Beard,
Hamlin.

Political

Announcements

BETTER YIELDS PER ACRE MEAN LARGER PROFIT

Larger yields per acre to give increased returns from reduced acreage in 1938 are being advocated by many agricultural leaders and agencies. "Grow More Cotton," "Plant to Prosper" and similar campaigns in Southern states call attention to larger profits available through increased yields resulting from proper use of fertilizer.

Cottonseed meal, widely-used as a livestock feed, also is an excellent source of nitrogen for fertilizer in mixtures recommended by Experiment Stations, Extension Services and other agencies.

Containing 5.7 to 6.9 per cent nitrogen, cottonseed meal may be used economically and efficiently as a fertilizer at current prices prevailing in most localities, according to the National Cottonseed Products Association Educational Service. Fertilizer mixtures containing cottonseed meal are contained in a new circular issued by the association and available at the local cotton oil mill.

Tobacco, corn, cotton, truck crops, orchards, flowers, shrubs and lawn and golf course grasses are among the plants for which cottonseed meal makes a desirable fertilizer, it is pointed out.

Organic elements in cottonseed meal are released gradually, which prevents loss through leaching, which makes possible the feeding of the growing plants throughout the season. For this reason, cottonseed meal is especially valuable to mix with other fertilizers which have immediate or rapid action.

In heavy, tight soil cottonseed meal has the advantage of loosening and improving the physical condition of the soil. Specific recommendations for fertilizers adapted to local soils should be obtained from county agents, vocational teachers, and college authorities in each locality. Their knowledge of local conditions enables them to suggest mixtures, containing cottonseed meal, best suited for their soils.

KNOW TEXAS

HIDDEN MISSIONS

DENTON — Although no traces are left, almost as many Indian admissions were established in East Texas as in the central part of the state where they now form the tourist's mecca. Built of wood rather than of adobe and stone as are those around San Antonio, they were soon lost through decay. It is believed that one was at Nacogdoches, one at San Augustine, two others in this vicinity and another across the Sabine in Louisiana.

MORE CLOTHES FOR TEXAS

In one short year the number of clothing factories in Texas has increased ninety per cent. There were 52 establishments in 1936 producing men's clothing and 28 for women, not including millinery. Now 150 are operating, which at least seems an indication that Texas' manufacturing aspirations are well founded.

153 FORGOTTEN GHOSTS

Humble sacrifices to a growing civilization are the 153 ghost towns listed by the Texas Almanac. Killed by the failure of an industry or the changing of a train track, these villages started life as optimistically as some of our larger cities today. Their names, Duck Creek, Gertrude, Parson's Seminary (famed for its female school) and others, seem still alive, even though the inhabitants and buildings are gone forever.

Neither flood nor storm can silence your telephone long

We depend upon Western Electric... Bell System supply unit... to pour material into wrecked areas AT ONCE!

Floods and storms in Arkansas and Oklahoma took heavy toll of telephone lines in February. Yet almost all the silenced telephones were back in service within a few days.

One reason: Western Electric warehouses, spotted so no Southwestern Bell town is farther than an overnight jump, poured material into the wrecked areas AT ONCE.

Without Western Electric supplies, instantly available, our job of giving you good telephone service at low cost would be vastly more difficult. And Western Electric prices are moderate. Over the last 20 years its earnings have averaged less than 7%.

SOUTHWESTERN BELL TELEPHONE COMPANY.

The Standard Coupe

The Standard Ford V-8, with 60-horsepower engine, gives you a lot of car for a little money.

300,000 new owners acclaimed the "thrifty 60" last year. Hundreds a day are buying it in 1938. Why?

Because it is priced low—includes essential equipment without extra charge—and goes farther between filling stations than any Ford car

ever built. Owners all over the country report averages of 22 to 27 miles on a single gallon of gasoline.

But economy isn't all the story by any means. The Standard "60" is built with the same precision as the De Luxe "85," and has the same 112-inch wheelbase chassis. It is easy to look at and ride in—as well as easy to buy and run. There's a Ford dealer near you.

Convalescent Care For Crippled Children

To young eyes, this sunny porch outside a convalescent home for crippled children with its riding horse, teeter-totter and other playthings looks fairly exciting.

But to the boys and girls who spend days there, with legs made firm by braces and many confined to wheelchairs, the grass beyond is also inviting. They are part of an army of youngsters, handicapped by crippled bodies, waiting and hoping for the chance to take their places in the bustling work beyond the fence.

Convalescent homes such as this, with their cheery atmosphere and their modern instruments for treating the crippled testify to the growing consciousness of the need for giving these children the best care and the best education possible.

The care of the crippled child does not end when he has received the last treatment for his physical infirmity. The work of adjusting him socially, educating him for vocation and fitting his personality into a satisfying place in the life beyond the hospital is just starting.

The society, with its affiliated groups, is attempting to spread the message of "A Better Life for Crippled Children."

The 1938 Seal, bearing that slogan, are on sale here, sponsored by the Lions Club. The Seals, selling for penny, show a small girl, with a crutch under her arm, watering the lily plant of Easter time.

Points and Personalities

by doris pope

Last week's "weather" brought forth many local weather prophets. When the April blizzard was reported, ye locals shook their heads in disappointment and brought forth their signs.

"Now, the mesquite," they argued, "never sprout before winter is over." So that was a sure sign that spring was here to stay.

Then another good thing, a certain manufacturing house in the north advertised "new fall styles." Women's clothes always stay about two or three seasons ahead, so spring made them "on time." (The stylists had better be careful or they'll catch up and be in the right season sometime—and that would be a calamity.)

But the surest sign of spring is the coming of scissor-tails. A well-known ready-to-wear department manager had such belief in these "boids" that she made a bet that there wouldn't be a freeze—no matter what the weather man said. The mesquites might be fooled, but not the scissor-tails.

In spite of all the local prophecies the weather man was right. West Texans saw and felt one of the worst April blizzards last week in all its history—the scissor-tails were fooled and the lady lost her bet.

Members of the Lions Club were indeed happy and surprised Tuesday night when it was learned at their recent ladies' night meeting that a prominent fire insurance man was "furnishing" cigars for the guests.

It was just a little delay when a certain young doctor, and a well-known lawyer were asked Tuesday night to report on the International meeting of Lions Clubs which they attended two years ago in Mexico City, D. F.

People are wondering what brought the sudden attack of rheumatism to a prominent dry goods manager. (It couldn't be that he isn't as young as he used to be?)

It is rumored that an attractive brunette dry goods clerk, recently reported to have been romantically inclined, is now being escorted by a handsome salesman who is employed by a firm of the same name as hers.

A well-known cotton buyer asked a certain jewelry man of our town if he had any wedding rings to sell. (????)

A young Conoco employee who very recently made a trip to Fort Worth and a drug clerk, the victim of a long distance telephone call, started out to Cow Town again this week. However, the latest report is that they got only as far as Abilene. (We don't know what the attraction was.)

Whoops! Hamlin had a two-

alarm fire Tuesday night. No, it wasn't really that bad; people just didn't wake up the first time.

What young blond filling station employee had a date in a neighboring town one night this week and was "stood up", because he refused to take his date's three friends along, too. (Would you call that a neat job of attempted gold-digging or just co-operation?)

Two very attractive young married ladies of the same name, one a brunette and the other a blond, made a business call on a certain young man the other night. It was dark when they started down the stairs and, being unfamiliar with their surroundings, they took the wrong door and fell into the basement. Perhaps that explains the bruises and stiff knees.

We wonder what the movies could do with this story? A young man with "pinkish" hair who drives a sport roadster took a liking to a very attractive brunette, but when a beautiful blond appeared. However, before long the blond preferred Buicks, and the first young man still likes brunettes. (At least that would be getting away from the "eternal triangle" and "gentlemen prefer blondes.")

Thursday morning of this week nearly a dozen "old maids" in Hamlin received a package from a "baby supply" mail order house... a package containing a cloth too large for a handkerchief and too small for a bed sheet... a trick played on the girls by a young matron to secure a full "dozen" pieces muchly to be used when the blessed event happens... Wonder if this comes under the term using the

mail to get what you want? Wonder what the mail order house thinks of our little town of Hamlin? Twelve dimes for a sample of a needed article, from twelve Hamlin women—all in one mail? We wonder?

Chit-Chat: Saw John T. Day in town today looking as spry and perky as could be... it looks mighty good to see him out talking with his friends again... Many repairs and improvements are being made in Reynolds Pharmacy... The Lone Star Cafe is rebuilding in their old location... We understand that it will be enlarged and will be modernistic in design throughout... The Lion Auto Supply Co. is also rebuilding... Drouths, fires or blizzards don't stop Hamlin people... Have you noticed the striking resemblance between the picture on the cover of the last issue of McCall's and a certain young married school teacher of our town?... With politics getting off to such a rousing start, what will it be by July?

PLEASANT HILL 4-H CLUB NEWS

The Pleasant Hill 4-H Club met on April 5, at the Pleasant Hill school building. The county agent, Floyd Lynch, carried the boys out to inspect grasshopper eggs. From a survey that was taken last November, he told us that there were about sixty egg pods to every square foot. There are from seventy-five to one hundred eggs in each pod. Jones County is planning

to get rid of the grass hoppers this summer by the use of bran and arsenic.

The following members were present: Jeff Young, Cromeens, Ralph Coffey, Morrell Cromeens, Billy Bob Herndon, H. L. Goff, Erwin Blackley, Alton Goodrich, Lee Barrett Herndon, Pete Lollar, Billie S. Elliott, R. V. Mize, Joe Goff, Charles Cromeens, and Hubert Morton, local leader.

The meeting was called to order by H. L. Goff, president.

—Reporter.

McCAULEY MATTERS

By JOHN P. HARDESTY

Following is the program of the Hardin-Simmons University Founders Day service to be held at the McCauley Baptist Church next Sunday morning at 11 o'clock, April 17:

1. School Anthem, "Hardin-Simmons, Hail to Thee."
2. President Sandifer's favorite Scripture, Proverbs 22: 1, and the 13th chapter of First Corinthians, by Roy B. Hennington.
3. Brief sketch of life of Dr. J. B. Simmons, by Mrs. Roy B. Hennington.
4. Way back when, or reminiscences of the old college days, by Mrs. W. C. Jackson.
5. And now, or the present activities of student life, by Latane Akins.
6. Happy Notes, a quartet, arranged by D. L. Smith.
7. Your Alma Mater, by a guest speaker (to be selected.)
8. Do You Remember? Informal round table, by several old students.
9. Piano Solo, by Mrs. Willard Maberry.
11. Benediction.

We have been able to secure the names of the following alumni and ex-students who live in this immediate section. If any name has been omitted we would appreciate having our attention called to the fact: Mrs. George M. Darden, Mrs. Garland Davis, Mrs. Albert Galloway, Mrs. W. C. Jackson, Mrs. Walton Johnson, Mrs. Winnie C. Rowland, Mrs. Virgil Steele, Mrs. Willard Maberry, Mrs. Roy Hennington, Miss Kenna Rector, Dewey L. Smith, Roy B. Hennington, H. P. Powers, Edwin Johnson, Walton Johnson, Milton Webb, Ernest Webb, John P. Hardesty Sr., John P. Hardesty Jr., Miss Melba McKinney, Miss Ila Eivens, Misses Ikey and Latane Akins. Others whose home is here but who are temporarily away teaching, or otherwise employed are Miss Ora Ste-

phenson, Virgil and Rowland Stephenson, Chester Johnson and Wesley Akins.

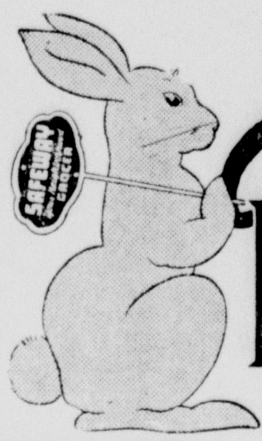

Bro. J. R. Bateman, Methodist pastor, announces change in the mid-week prayer services. A question and answer method of Bible study will be had. The first study will be the first two chapters of Mark, and then on through the entire book. Lessons will be assigned from week to week. Another change will be from the evening hour on preaching days to 5 o'clock in the afternoon. This change will begin on the fourth Sunday in this month. Two preaching services each second and fourth Sundays, at 11 a. m. and 5 p. m. An invitation is cordially extended to all who will to attend.

C. D. Jones has leased his filling station to Vernon and Earl Andress and his repair shop to Mr. Hamlin. Mr. Jones leaves this Thursday for new home at Crowell, where he has accepted a position with Boone and Vinson, International Harvester dealers of that place. Mrs. Jones and the children will remain in McCauley until the close of the school term, then join Mr. Jones in the new home. We are sorry to lose this good citizen and his fine family from our community, but we are glad that the business is to be continued under capable hands.

We are sorry to report Mrs. Joe Miers on the sick list. She was expected to be returned from the Hamlin Hospital Tuesday of this week where she has been under medical treatment.

J. M. Johnson and Mr. and Mrs. Edwin Johnson visited their daughter and sister, Mrs. C. F. Stovall, at Snyder last Sunday. She is also in hospital for treatment, and the father remained over for a few days in Snyder with the family.

Rev. C. A. Jones of Rotan filled the writer's pulpit last Sunday while he was at Spur for the morning worship with the Spur Baptists. Mr. and Mrs. Jack Johnson accompanied him, and visited Mrs. Johnson's niece and her husband, the Overtons, who recently moved to Spur

WISE CHAPEL NEWS

(By Catherine Drake)

Most all the farmers are very busy this week planting their maize. Some are planting over after the big freeze we had last week.

Mr. and Mrs. Leonard Lewis and family moved back to Abilene Sunday. Mr. Lewis was a tool dresser on the oil rig on Mr. Herbst's place.

Mr. and Mrs. Roe Scott and family of Moran, Harry Scott, of Albany, spent Sunday with Connie Drake and sisters.

Mr. and Mrs. Dave Herbst spent Sunday with Mr. and Mrs. Johnnie Agnew and family.

in from Albany Thursday and stayed until Sunday. Mr. Hayes is working near Albany.

Mr. and Mrs. Leonard Proffitt and son spent Monday and Tuesday in Cisco.

Mrs. Robert Kirksey, of Breckenridge, visited Mr. and Mrs. Earl Ray and family from Sunday until Tuesday.

Mrs. Earl Kiser, of Sylvester, returned to her mother's home, Mrs. Oscar Jenkins, from the Abilene Hospital, Sunday.

Here is hoping Mrs. Kiser will soon be able to be up again.

Mr. and Mrs. Dave Herbst, Mrs. E. A. Isbill and Johnnie Agnew attended the funeral of Dr. Wagley in Anson Sunday. He is the father of Mrs. Touchstone.

We are sorry to report that Jo Ann Agnew is on the sick list.

Mr. and Mrs. Bert Fomby spent Saturday and Sunday with Mr. and Mrs. Elto Hank of Littlefield.

WISE CHAPEL 4-H CLUB

A regular 4-H Club meeting was held at Wise Chapel on Friday, April 8. The house was called to order by Billie Green.

Floyd Lynch, county agent, discussed life history of the grasshopper.

per. Told us how to take grasshopper counts, how to calculate the amount of bran needed in poisoning and gave us a formula for poisoning. Mr. Lynch had collected a number of grasshopper egg pods and by placing them in proper temperature they may be hatched.

—Reporter.

CARD OF THANKS

We wish to thank those who so faithfully aided us during the illness and death of our mother, grandmother and sister, also for the beautiful flowers.

Rotarians Played Host To Pioneers In Annual Lunch

About a year ago the Hamlin (1879,) Edgar Boaz, Anson (1878) Rotary Club invited a number of Dan Stephens (1879,) J. W. Ezell, the Pioneer men of this section of S. E. Miers, McCaulley and Flete the country to a luncheon. They enjoyed it so much that the Club decided to make this an annual affair.

Wednesday the Club played host for the second time to the Pioneers, many of whom were guests last year. The only thing preventing five times as many at the luncheon was the fact that there is no place large enough to seat them at tables. So this year the following men were present:

D. J. Herbst, W. F. Davidson of McCaulley, Pat Collins (1879), Dick Robertson, S. C. Low, D. M. Harris (1885,) H. Feagan, Geo. O. Harrell of Anson, J. J. Waggoner, D. L. Bristow, G. L. Barnett, Bro. J. A. Young (1884,) J. W. McGough

Other guests at the club were Judge E. C. Cummins and Morgan Jones of Abilene and John Gilbert, banker of Fort Worth.

New members Wednesday were Dr. Gentry and Tarlton Willingham.

The idea of having the pioneer men present once per year is to keep up the spirit of friendliness and to honor those who came and conquered this country for the present citizenship.

The program for the Club consisted of rehearsals of "My Home Town" orations by the three highest winners: Miss Juanita Harbert, James Tate May and Miss Hazel Adkins.

METHODIST CHURCH

We will be expecting you at Sunday School at 9:45. Preaching at 11:00. Subject, "A City Set On a Hill."

The Leagues meet at 7:00.

Instead of the regular preaching at 7:45, a special program will be rendered at this hour by the Comrades Class.

Again let me urge you to bring your offering for the conference collections. We feel sure that some meant to bring them Sunday night. But our services were rained out. We have made a good show on that but we are a little behind on what we hope to be able to report at our district conference which meets soon. Remember you are always welcome to worship with us. If you are absent we miss you. If you stay away you miss something.

Sincerely,

H. W. HANKS, Pastor.

The Herald has a letter from C. E. (Tuffy) McCoy at Lubbock, saying he will play for Lubbock this year as a "farm-out" of the Chicago White Sox. Baseball becomes interesting when one of our own boys get on the field.

Moulton's Service Station--Phone 20

HIGH SCHOOL P. T. A. WILL PRESENT RADIO PROGRAM

The Hamlin High School Parent-Teacher Association will present the following program over Radio Station K. R. B. C., Abilene, next Tuesday morning at 10:00 o'clock.

1. "The Glow Worm"
"I Love Life" --- Mana Zucca
High School Choral Club
2. "My Home Town" Joyce Hudson
3. "Prelude in C Sharp Minor"
Rachmaninoff
Mary Jane Jones
"Mannela" ----- Liebling
Twila Ruth Smith
4. Sketch of High School P. T. A.
Mrs. W. T. Cherry
5. Girl Scout Activities
Mildred Barrow
6. "Homings" --- Tresa Del Riego
(Sextette)

Mmes. Q. Martin, Ray Willingham, Turner Beard, Bill Rountree Willard Maberry, Henry Albritton Mrs. Ted Russell, Accompanist Tom Scarborough will be the announcer.

This program is given in response to the invitation of Mrs. J. F. Brooks, Radio Chairman of the Abilene P. T. A. City Council. Be sure and listen in and get the habit of listening in to their P. T. A. programs every Tuesday morning at 10:00 o'clock.

Dr. and Mrs. Joe McCrary were guests Saturday in the home of Mr. and Mrs. Tex Moore in Wichita Falls. They were accompanied by Mrs. Mart Farrow and son Mart O., who visited her sister, Miss Onieta Rimmer, a teacher in the Wichita Falls public schools.

Mr. and Mrs. S. D. McMahon and Miss Pearl Hudson spent Sunday with Mr. and Mrs. Ross Walker, in Breckenridge.

Alden Cathey and Wesley Norman, of Fort Worth, are guests this week in the home of Mr. and Mrs. R. H. McCurdy.

Mrs. Dot Kanard of Borger came down for Easter with her parents, Mr. and Mrs. W. W. Greenway and her little daughter, Maedean Maberry.

Renard Waggoner came over Sunday from Monahans to spend the Easter day with his parents, Mr. and Mrs. J. J. Waggoner. He returned Tuesday.

Chamber of Commerce News Items of Interest

TRADE EXTENSION COMMITTEE

This committee is studying different plans and suggestions looking to early future of installing some good plan to broaden our trade area. They recently made a trip to Haskell and inspected the new cheese plant that has been opened there and is owned by a co-operative company, including many farmers of that area. They recently made a trip to Merkel and contacted members there in regard to the plan that they are using, which is rodeo-baseball and other attractions that the merchants of Merkel have been using for 2 or 3 years. We believe this committee will have something substantial to offer in the very near future.

BOARD OF TRADE COMMITTEE

This committee is functioning right along now. Already two promoters who have come to town to solicit from the merchants have failed to get letters of approval. It is thought if all will co-operate together that the saving this year will amount to as much as the member dues.

MY HOME TOWN CONTEST SPEAKING

On Monday night of this week the elimination contest for this event was held in the high school auditorium, by using the telephone and distributing hand bills an attendance

McCAULEY SCHOOL

FACULTY REELECTED

In a regular meeting of the board of trustees here last night, all present members of the McCaulley School Faculty, except Superintendent D. L. Smith, High School Principal H. P. Powers, and Grammar School Principal V. W. Jackson who had been previously re-elected, were renamed to serve for the 1938-39 term of school. Two elections were made on condition that the District qualify for eleven teachers. Teachers re-elected last night are: Melvin Courtney, Commercial work; Wyleta Smith, English; Roy Hennington, Sixth grade; Hettie Logan Clay, Fifth grade; Kenna Rector, Fourth grade; Vera Tate, Third grade; Imogene Schulze, Second grade and Mrs. H. P. Powers First grade.

Members of the school board are: W. F. Davison, president; B. F. Short, secretary; A. A. Calloway; Levi McCollum, Virgil Steele, M. T. Mason and H. F. Jeffrey.

POINTS AND PERSONALITIES

In this weeks Herald and 84 other papers over the territory covered by the West Texas Utilities Co., is appearing an ad—the thought of which was taken from the Herald's "Points and Personalities" by Doris Pope—it seems she made a worthwhile point with the advertising department of that big company, and the author of the article was pleased to see her expressions about the electric current used in this manner.

Mr. and Mrs. H. O. Cassle, accompanied by their son, Arlie Cassle and Miss Pat Allbritton visited their daughter, Mrs. Harry W. Pitzer and husband in Lawton this past week end. Sunday they had the privilege of seeing the Easter Pageant which was held in the National Park near Lawton. It was estimated more than 150,000 people were present.

The Herald has a card from J. E. Ogle who now has his address at Rochester. Mr. Ogle says he has been on the sick list for seven weeks confined to his bed. He says he will see his Hamlin friends as soon as he is able.

RUBBER STAMPS are often needed—Give the Herald your orders—2 days to deliver.

Rebuilding and Retouching Going On After Big Fire

A calamity of any kind usually results in much activity in restoring and retouching property.

Since the recent fire that damaged a number of buildings on Central Avenue, there has been a general re-adjusting and rebuilding campaign on.

Shelburne & Son have the contract for the re-building of the two Vaughan buildings, one of which was occupied by the Lone Star Cafe. These buildings were originally built with a basement, with the first floor a foot or more above the walk level. This is being remedied now, by lowering the floor to the walk level, thus cutting down the height of the basement. These two houses will be completely modernized when finished.

The Reynolds Drug Store ceiling that was ripped off by explosion

during the fire is being rebuilt with a late style metal ceiling. It is a big job to carry on the store activities and the scaffolding and hammering present. This place will be pretty when finished.

On the north side of the burned buildings, the Imperial Barber Shop had quite a lot of smoke damage and all their interior has been done over in pure white, making a cool looking place.

While the "dressing-up" was going on, the Terrell Grocery next door to the barber shop also got the idea of being in line, and that place had been touched up with bright new paintings inside and out, and the stock re-arranged and dressed in a new style. It seems the fire really had good effects in making that block shine and hum with new activity.

MT. ZION CHURCH

Rev. J. Walter Hall, District Supt. Abilene District, will preach at Mt. Zion Nazarene Church next Saturday night, also at the 11:00 o'clock hour Sunday morning, April 24th.

He will give interesting facts regarding the work of the District.

Sunday School 10:00 a. m.
Preaching (J. Walter Hall) 11 a. m.
N. Y. P. S. 7:15 p. m.
Preaching 8:00 p. m.
J. C. ALLEN, Pastor.

G. H. Calloway, of Lamesa, came down Monday to visit his brother, A. A. Calloway and family. Mr. Calloway is one of the many good farmers in Dawson County. He says they made more cotton last year than they should and things look good this spring. Mr. and Mrs. Calloway have a son in the State University Medical School at Galveston who is making a fine record. Mr. Calloway thinks his country will keep off of "relief" from here out. That's fine G. H. Come down often and bring something for your brother to eat.

Mr. and Mrs. Wm. Robert Johnson Rotan came over Sunday to visit their parents, Mr. and Mrs. W. W. Greenway and Mr. and Mrs. W. F. Johnson.

PLENTY OF RAIN AND COOL AIR

It seems that this immediate section of Texas is getting all the rain and cool weather it needs.

Only last Thursday afternoon, a sizeable rain and hail storm came and set the frost-bitten plants and trees to budding again. Wheat was benefitted.

Again last Sunday afternoon and night a still better rain of perhaps more than an inch came mixed also with some hail. Lots of water but little damage or none from hail. This does wheat good again, and ere long we shall see the actual results of the late freeze.

Albert Address and his family and his son-in-law and Earl and their families of McCaulley, and Mrs. Elmer Address and son, Dude, of Hamlin, and Mr. and Mrs. Bonnie Bingham, of McCaulley, all attended an Easter singing at their old home in Comanche County, Sunday. They report a good time and a fine singing. W. T. Keith, father of Mrs. Albert and Mrs. Elmer Address, returned with them for a visit.

Moulton's Service Station--Phone 20

Five Thousand Subjects Bow to This New Queen

Miss Mary Ann Walker of Wichita Falls was chosen by her classmates at Texas State College for Women to reign over the annual Cotton Pageant at Texas A. & M. College, April 8. The daughter of Mr. and Mrs. M. D. Walker, she is the seventh cotton queen.

She's WTCC Convention Hotness

Miss Elizabeth Huff has been named "Miss Wichita Falls" at the West Texas Chamber of Commerce Convention, in Wichita Falls, April 25, 26 and 27. A granddaughter of Judge R. E. Huff, pioneer Wichitan, and a city founder, Miss Huff will be the official hostess to other West Texas beauties when they vie

for the convention crown. Miss Huff will be the "Oil Queen" for the convention pageants, on Monday and Tuesday nights during the sessions, when the beauty nominees for Queen will be presented. Representing the city, however, she will not compete for the title as "Her Majesty, Miss West Texas."

CUTTING OUT NOVELTY

ADVERTISING

Through the efforts of the Hamlin Chamber of Commerce, Hamlin merchants are going to save a lot of embarrassment from here out. It has been the custom of a lot of "promoters" to hit Hamlin ever so often with some form of "novelty" advertising most times under the guise of helping some local enterprise or order. Just this week, one of our neighboring towns, not over a hundred miles away, wanted to stick the merchants for \$80.00 for a line or two on a thing that would be seen once or twice during the summer. Recently the Chamber of Commerce appointed a committee to pass on such applications. This week there was "nothing doing."

If merchants desire to support a strictly local scheme of raising money for some worthy cause, gotten up by local people, then its a "Hamlin Affair" and no OK is needed. But hereafter when such promoters hit the merchant, he will want to know who gets the "pie." It is business to cut out the expensive promoters.

SPRING'S A GOOD TIME

TO STAY ALIVE!

Spring is a happy season, with old mother nature reawakening. You can add to the joy by making a contribution to safety in your own home.

There is a real need for this after the long winter months, when many dangerous conditions develop. Now is the time to clear out all accumulations of papers and rubbish from attics and cellars, before they cause a serious fire.

When burning trash and papers outside an incinerator should always be used. Field grass and papers should not be burned on windy days, and never without close supervision.

Now is also a good time to make a complete check-up of anything else that might cause fire. Look for such hazards as defective electrical equipment, frayed and worn wiring, pennies behind blown fuses, defective heating plants and chimneys, fireplaces without screens and hot ashes in wooden ash containers. Cleaning with gasoline is very dangerous.

After painting jobs, which many do in the spring, be sure to dispose of oil or paint soaked rags and clothing. A warning from the National Board of Fire Underwriters states that many homes are burned by spontaneous ignition fires from paint rags left in a heap.

Good Paint DESERVES A GOOD PAINTER

R. B. SPENCER & CO.
HAMLIN, TEXAS

Points and Personalities

by doris pope

Things have been more than quiet this week with a certain "blondish" banker, ye Editor, an enterprising druggist and one of our most prominent attorneys at law gallivanting around our State's Capital, the first two seeing about making a road out of the lane between Hamlin and Rotan and the other two seeing about enrolling some local talent in The University.

For the sake of a certain young farmer-rancher, we sincerely hope that something will be done about the road situation. We understand that only last Sunday night he drove more than three hundred miles between Hamlin and Rotan.

Say, if you don't believe that Hamlin is a good place to live, you should have gone to the "My Home Town" contest, Monday night. We wish to congratulate and compliment each of the contestants for his splendid work, especially the winners, Miss Juanita Harbert, Mr. James Tate May and Miss Hazel Adkins.

A prominent banker, with an Alabama brogue, recently withdrew from the Lions club—it was reported that it was only a little matter of teeth.

Just a misunderstanding: One night this week a certain young lady told that she had a date with a certain bashful farmer-rancher. When the young man appeared in town about 9:00 in his work clothes, some friends questioned him about his date, to which he nonchalantly replied, "Shux, I don't know nuthin' about it." Just another case where the girl said, "yes," and the boy said "no."

A well known jeweler lady has a new, very beautiful and unusual wedding ring, but it is to be noted (as one of her friends said) that she has the same durned old husband.

For information concerning eligible young ladies of Hamlin, McCaulley and Rotan, we refer you to a well-known young Santa Fe employee.

We are glad to see (and hear) A. D. Ensey back in Hamlin. It looks just like old times with A. D.'s friendly smile and hello to his friends here.

One night during the dark midnight hour, an attractive blond stenographer book-keeper (for Texas' Largest Hatchery) was suddenly awakened by the knocks of a neighbor calling her to the 'phone to take a long distance call. Naturally the young lady was frightened and excited at receiving a call so late and went to the 'phone expecting the worst. The call happened to be from the boy friend at school in Tech who just called 'to see how she was, et cetera, et cetera.' The boy friend, so the explanation goes, had been studying very hard and had simply failed to notice the late hour—maybe so, but what's that little ditty that goes: "In the spring a young man's fancy turns to thoughts of?"

The sale of crippled children's seals by the Lions Club was greatly spurred this last week when a certain well-known business man, after considering and thinking for 24 hours, bought five cents' worth. (It is said that he didn't have any small change.)

Warning to dog owners: Because certain dogs have killed other pets and chickens and have done considerable damage, "open season" has been declared on all dogs—regardless of pedigree—so keep your dog in for a while.

Here and there: We understand that a certain dry goods manager

robbed the cradle this last week Also the romance of a well-known, brunette sales lady is progressing nicely A well known jewelry man and a prominent ready-to-wear department manager went fishing together this week . . . accompanied by the man's wife of course . . . we would like to borrow their "luck" sometime . . . We suppose that the recent dress of a certain well-known gyp plant employee would be described "a la Esquire"—especially the dainty shoes and the peplumed shirt . . . There is a great deal of speculation as to why a certain dry goods sales man has specifically set his vacation the second week of July . . . Have you noticed the unique spring bonnets by Olivia? A friend of hers described "her head gear as prolific as guinea pigs."

Well, well, so he had to go without his dinner. A prominent young "banker" was caught in a snap this week-end when two of his girl friends, a brunette with an Alabama brogue and an attractive blond coded from S. M. U., arrived in Hamlin to spend Easter. Since the two young ladies belong to different churches, the "banker" took a long chance and took one to church. But then, knowing that both young ladies would eat dinner at the same Hotel, where the young man usually eats, he had to save his face and go without dinner. (They say there's safety in numbers, but sometimes we wonder.)

Why is a certain pretty brunette, who is employed by the Bank, looking so lonely these days?

A friend of ours contributed this bit of philosophy this week: "There is no defeat in life, save from within; unless you are beaten there, you are bound to win."

When the cat's away, the mice will play—This bit of philosophy took a different turn in our town this week. While a certain prominent druggist was in Austin, an "old friend" dropped in to see him and finding him gone, paid his wife a visit. Because of noisy interruptions in the store, they decided to go riding. A few minutes later the charming lady came straggling in afoot, because unfortunately they had a flat. (We wonder what she would say if son used that excuse?)

No, siree, the prominent manager of a certain ready-to-wear shop takes no chances—even when temptation is great. Seeing a very tempting dish of fresh onions, she refused them because she "didn't dare eat onions until she was ready to go to bed, for she might get a chance to be kissed and she didn't want to miss it."

While attending the F. F. A. State Judging Contest at A. & M., we understand that a certain popular brunette ex-aggie spent a great deal of his time "visiting" old friends.

It is rumored that a well known young man of the Senior class was caught by the flash of a wink and is now that way about a pretty young thing in one of our neighboring cities.

We understand that a popular dry goods department manager will be very, very glad when his papa returns from his business trip. We were told that it was just a little matter of a pick-up vs. a Buick.

If Electric Service Should Fail...

WEST TEXAS COLUMNIST
WRITES AN "AD"
ABOUT THE DISCOMFORTS

POINTS and PERSONALITIES

by doris pope

(It is through the courtesy of the Hamlin Herald that we are permitted to reprint the following article, written by that paper's able columnist, Doris Pope, which appeared in a recent issue of the Herald. We are deeply indebted to her for so accurately describing the after-effects of this spring's unusual storms.)

Now with everything at our finger tips with just a click of a switch, we are inclined to take too much for granted. However, there are times when we are forced to stop and think what a world it would be without such conveniences—you know, we kinda' get a taste of the "good old days" that we hear dad and grand-dad talk about. That's what happened to Hamlin folks Saturday afternoon when the electric current was dead from 2:10 until 5:40.

Low, gray rain clouds made lights almost a necessity in order to carry on business, so when the current went off, the sale of candles increased a thousand per cent. We stayed in the dry goods stores awhile observing the effect of candle lights, and it struck us as rather amusing when people grabbed a bolt of material, a pair of socks or some other merchandise and ran to the front door, holding the article up and squinting, trying to see what color it really was—just like in the "good old days." (Maybe that will account for some of the terrorizing colors people are wearing.)

And the poor kids, how they did miss the Saturday afternoon picture show! It's really a shame that they didn't have some stereoscopic parlor pictures to look at like ma and pa had—back in the "good old days."

We wandered over to two of our beauty

shops and found dozens of women and girls draped on the floor, chairs and stools, literally sticking their heads in the fire to dry that new wave set. That reminded us that back in the "good old days" grandma didn't shampoo her hair in the winter or in rainy weather; she just rolled it up on curlers.

We noticed the barber shops also felt the lack of electricity. You know back in the "good old days" they weren't bothered with all those little electric gadgets 'cause grandpa just turned a bowl down on pa's head and started cuttin'. The finishing touches were accomplished with the old blue and white shaving mug and razor.

We stopped in to see how the drug stores were making out with their Frigidaire motors stopped and their candle light. Somehow or other they didn't seem too hapy about it. Now we could rave on and on about this, but what's the use? Printing presses were stopped, bank machines halted, in fact, there wasn't a business house in Hamlin that did not feel great lack of electricity. And when the current finally did come on after three and a half hours, people gave whoops and hollers that made the Indians back in the "good old days" look like sissies. (No charge to the West Texas Utilities Co. for this spiel.)

MEMBERS OF RETAIL MERCHANTS DECIDE TO MEET MONTHLY

At a meeting of several of the members of the Retail Merchants Association at the Office, Tuesday evening, April 19th, it was voted unanimously to have a membership meeting each month to discuss the various problems that confront each member as pertains to their own business, as well as of that of fellow members. It was also voted that an ad be run in The Hamlin Herald the nearest date to the 10th of each month, featuring the importance of promptness in paying accounts promptly and on time. The time of meeting for the month of May was to be announced later. It is hoped that the interest and attendance will grow and we feel that the results will take care of themselves.

PHONE 175

WASHINGTON NEWS

FROM CONGRESSMAN
CLYDE L. GARRETT

RELIEF—According to President Roosevelt the billion dollars proposed in his January budget message for relief will not be enough for the 1939 fiscal year. \$3,000,000,000 was requested by a committee of mayors who called on the President. Administrator Hopkins stated that only a sum large enough to provide relief from July to January will be asked.

RAILROAD SUBSIDY—Opposition to a Federal subsidy to the railroads was expressed by the President recently. He states that if this type of subsidy is granted to railroads, other lines of industry would have the right to expect similar aid.

EXPANSION—Low cost housing is due for large expansion. Rural electrification and flood control is also expected to expand. Large orders for material, machinery, jobs and profit prospects should result from this expansion.

NEW FEDERAL TRADE CENSUS—The Government will mail questionnaires in the current Census of Retail and Wholesale Trade, covering 1937 and the first half of 1938, in the latter part of June, not in March as previously announced by the Census Bureau. The change will be made because the Bureau has decided to include in 1938 the first two quarters, Jan. 1 to March 31, and April 1 to June 30, instead of only the first quarter. This census makes available to trade associations and business men in general, current statistics on trade, that may be compared with statistics for 1935 already available, to show business trends.

SOCIAL SECURITY—WHAT IS IT?—Stripped down to bare terms, what does this "social security" mean? Just that every man and woman shall have a chance to stand on his own feet. The Social Security Act and other Social legislation help to give the American workers something solid to stand

on—a firm footing on which to fight for a living. Life being what it is, we shall never have too much security. Sickness and accident spare none. Wives lose their husbands, and children their parents, whatever their economic status. Even the well-to-do may find their livelihood wiped out by chances beyond their control. And in the end the lot of the fortunate who live is old age; but this again brings bitter hazards of decreasing power and independence. In spite of all our knowledge and science, there is no absolute security—for the big man or the little man, for the rich or the poor. These hazards must not be allowed to take their utmost toll of the defenseless. In our high-powered, mass-industry world, the only agency big enough to act for all the people is the government. This is the what and why of social security legislation. The things that go to make up this legislation include a wholesome childhood, adequate education, a job at a health-and-decency wage, proper housing, and some sort of insurance against the inevitable "rainy days."

COTTON LOANS—Under a program of Federal accommodation provided by the Commodity Credit Corporation, loans are available to cotton producers on their 1937-38 crops. Loans may be applied for through local banks or other lending agencies directly from the Commodity Credit Corporation at Washington or its field agencies or at any local agency of the Reconstruction Finance Corporation. July 1, is the deadline for such loans for the 1937-38 crop, and the applications must be in to allow granting of the loan before that time. Attached to each note given by producers, to obtain the loan, must be a certificate from a field board of examiners of the Dept. of Agriculture as to the class of cotton, certificate from warehouseman, and certificate for secretary or treasurer of the agricultural conservation association for the county in which the cotton was produced. The loan shall be at a rate of nine cents a pound on middling cotton of staple length of 7-8 of an inch or better, and the rates move downward on lower grade cotton.

MERCHANT MARINE CAREERS—A training program designed to help youth who can not get training in a state nautical school or in the Naval or Coast Guard academies is given by the U. S. Maritime Commission. Applications are received

from any young men, between 18 and 23 inclusive, for positions as "cadets" on government-owned and subsidized vessels. Applicants address the U. S. Maritime Commission, Washington, D. C. Give details as to age, education and experience.

"MY SKIN WAS FULL OF PIMPLES AND BLEMISHES FROM CONSTIPATION"

says Verna Schlepp: "Since using Adlerika the pimples are gone. My skin is smooth and glows with health." Adlerika washes BOTH bowels, and relieves constipation that so often aggravates a bad complexion. WAGGONER DRUG CO. INZER PHARMACY

* This is the day for all citizens to write or phone their law enforcement officers their appreciation for safety vigilance.

John F. Green, W. F. Martin and J. B. Terrell, all of the State University, came home for their Easter vacation.

Dr. and Mrs. L. P. McCrary and their granddaughters, little Misses Jo Ann and Sue returned Sunday from Tulsa, Oklahoma, where they visited their daughter Mrs. A. M. Rhodes and family.

When HEADACHE Is Due to Constipation

Often one of the first-felt effects of constipation is a headache. Take a dose or two of Black-Draught!

That's the sensible way—relieve the constipation. Enjoy the refreshing relief which thousands of people have reported from the use of purely vegetable Black-Draught.

Sold in 25-cent packages.

BLACK-DRAUGHT A GOOD LAXATIVE

Mrs. Clarence Lyons and little son, Frank of Commerce, came over Thursday to spend the Easter holidays with her parents, Mr. and Mrs. D. M. Harris.

Mrs. Litha Lane of Coleman, has come to visit her sister, Grandmother Brown of Plasterco.

Mr. and Mrs. Fred Carson, formerly of Water Valley, have returned to their home town (Hamlin) to make their home.

Misses Evelyn, Elaine and Zuleime Moss, and Geneva Jo Maberry of McCaulley, Miss Grace Johnson, Lou and Tressie Brown of Hamlin, Eunice Brown of Rotan went kodaking, Sunday afternoon. We almost completed the trip before the rain. Well, we'll have to try it over, sometime.

LINTON H. ESTES

The Wichita Falls Rotary Club is sponsoring the candidacy of Linton H. Estes for governor of the 127th district of Rotary International. The nomination will be made at the Rotary conference at Breckenridge, May 8, 9, 10.

Mr. Estes is head of a wholesale paper company in Wichita Falls. He has been president of his state trade association and vice president of the national organization. He has been president of the Wichita

Falls Chamber of Commerce and active in civic work. He has served the Wichita Falls Rotary Club as Chairman of various committees, as a director and as president.

The Wichita Falls Rotary Club presents Mr. Estes as a true Rotarian, qualified to discharge the duties of district governor with honor and distinction.

Mr. and Mrs. Evan Huling and daughters, Mary Dena and Nannie Bea, and Mr. and Mrs. Ray Huling made a visit to Aspermont, Saturday to see their uncle, Howard Huling, who is ill.

Guests in the home of Mr. and Mrs. O. W. Rush Sunday were their daughter, Mrs. Irene Bilby and sons, Wayne and Jerry Walton, of Hobbs, New Mexico; Mrs. Van Huling and daughters, Geneva, Marie, Mary Dena and Nannie Bea, of Hamlin; Mr. and Mrs. S. J. McCoy and son, Preston and daughters, Josephine, Ruby and Opal Stevens, of Tuxedo.

Miss Frances Routh Bailey, who is a nurse in Magness-Davis Clinic in Denton, spent the week-end here with her parents Mr. and Mrs. Ed Bailey.

New Streamliners for Western Travel

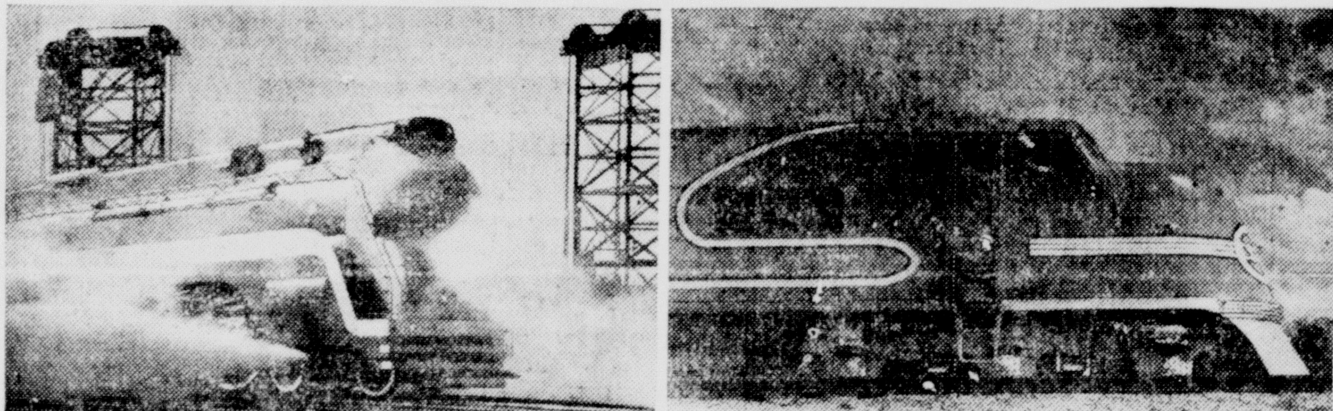

Five of the 13 racing new trains, streamlined in stainless steel, the Santa Fe Railroad is placing in service for California and Southwestern travel. The Super Chief, El Capitan, Chicagoan, Kansas Cityan, and San Diegan, flag bearers of this new fleet of trains, will be drawn by Diesel-electric locomotives; the famous Chief by giant Pacific type steam locomotives.

Section of new sleeping car on the Chief and Super Chief. Center: View of observation car on new streamlined Super Chief. Right: Corner of one of the new Fred Harvey diners. The cocktail-lounge, diner and observation car of the Super Chief are paneled in rare woods and decorated in the Navajo Indian motif.

The new El Capitan, 39 1/4 hour flyer between Chicago and Los Angeles, is unique because it is the only transcontinental train in America reserved exclusively for chair car passengers. It is equipped with deeply cushioned reclining chairs, broad windows, large dressing rooms and a lunch-counter diner.

The Iron Horse on the Santa Fe Chief goes streamlined! Its multi-powered steam engine is capable of 110 miles per hour. (Right) One of the Super Chief's 3600 H. P. Diesel-electric locomotives.

WHY RETAIL STORES FAIL

Competition, from chains or other stores, is an insignificant factor in the failure of independent merchants. That statement goes against popular conception—but it is buttressed by impressive statistics, according to Industrial News.

According to Dr. Julius Klein, the well-known economist, 33 per cent of such failures are due to lack of capital, 30 per cent to lack of experience, 34 per cent to miscellaneous causes, and only 3 per cent to competition.

Dr. Paul H. Nystrom, another noted authority on merchandising, estimates that 75 per cent of all business mortality may be attributed to incompetence, inexperience, and lack of capital.

The United States Chamber of Commerce attribute 37.2 per cent of failures to lack of capital, 31.4 per cent to incompetence, 4.9 per cent to inexperience, and but 3.9 per cent to competition, with extravagance, unwise credits, natural disasters, etc., accounting for the balance.

The Federal Trade Commission, recently investigated the underlying causes for the failures of 167 store in 30 communities, and found that it had been the result of competition in only 8 cases.

It cannot be a coincidence that these four independent surveys reach almost identical conclusions. The adequately-financed, thrifty, efficient and experienced merchant need have little fear of competition, or of failure from any other cause.

THE HERALD and the

DALLAS Semi Weekly Farm News make a good economical combination — both of them cost but \$1.75 for a full year. Come in, let's go.

MRS. R. E. JOHNSON

CLUB HOSTESS

Mrs. R. E. Johnson was hostess to the Woman's Literary Club in her home on Jackson Avenue, Friday afternoon for the final program of the year's work. Members responded to roll call with the usual assigned topics.

The study, "The Poetry Hour," was directed by Mrs. Ted Arm-

strong who also read selected poems by Grace Noll Crowell. Mrs. Dick Moore read a very interesting paper on the life and work of Mrs. Crowell. A book review, "Life of Sidney Lanier," was given in a very entertaining way by Mrs. Heflin Miller.

The last meeting of the club will be the Spring Breakfast which will be Friday, May 13, in the home of Mrs. J. Henry Littleton.

Bible Discussion At Union Gospel Tabernacle

Beginning Thursday Evening at 8 o'Clock
Extending Over Week-End

The Following Topics Will Be Discussed:

- (1) "Resolved that the Bible teachings, recognizes the three-fold personality of THE FATHER, THE SON, and THE HOLY SPIRIT."

DR. L. P. McCRARY Affirms

REV. IRA T. CULVOHOUSE, of Abilene, Denies

- (2) "That the Bible teachings recognizes that JESUS ONLY, as the Personality of the FATHER, THE SON and THE HOLY SPIRIT."

REV. CULVOHOUSE, Affirms

DR. L. P. McCRARY, Denies

- (3) "Resolved, That all genuinely converted or new born Christians receive at the time of this experience, the BAPTISM OF THE HOLY SPIRIT."

We practically concur:

BUT, that those receiving this experience EVIDENCE SAME, BY SPEAKING WITH OTHER TONGUES AS WAS MANIFEST-ED ON THE DAY OF PENTECOST.

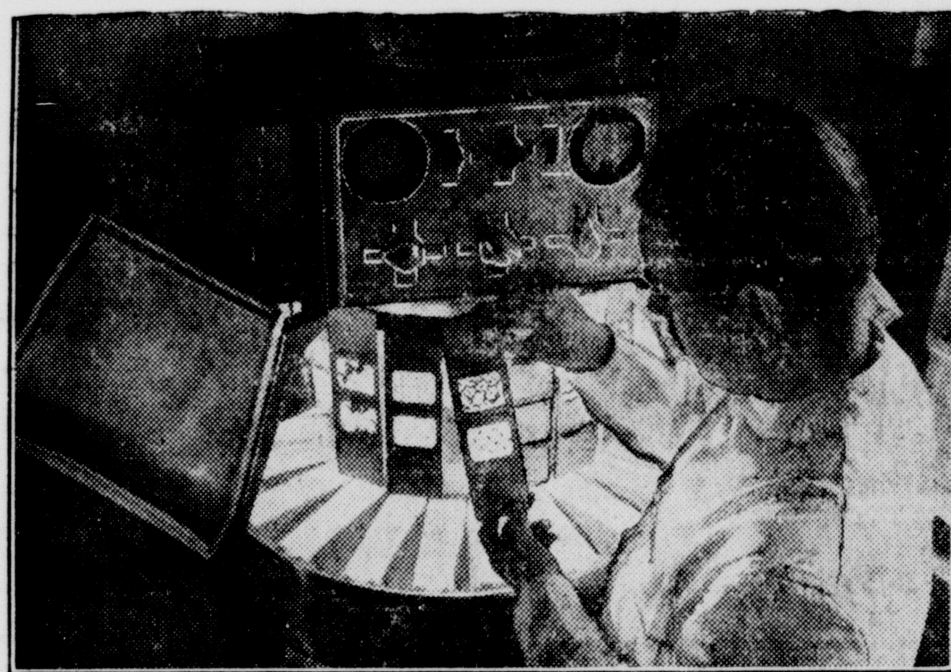

REV. CULVOHOUSE, Affirms
DR. L. P. McCRARY, Denies

SIGNED:

DR. L. P. McCRARY,

IRA L. CULVOHOUSE,

By W. D. EARNST.

INDUSTRIAL engineers have now developed the device shown above, Consumers Information reports, to test colorfastness of fabrics, so that manufacturers can make sure in advance that their materials won't fade in the sun. Women never used to be sure that their dresses and draperies would retain their original

brilliance until they had actually been exposed to sunlight. But through the use of this machine, developed by industrial research experts, it is now possible to tell whether dyed fabrics will hold their color. This is just one more of the many examples of how industry helps the consumer.

Chevrolet Establishes Unique Business School

William E. Holler, general sales manager of Chevrolet, has established a School of Modern Merchandising and Management for the sons of Chevrolet dealers, which is probably the first time that a large concern has undertaken the task of teaching a second generation the business. The first group of 27 dealers' sons, drawn from every section of the country, is shown here visiting the General Motors Research department under the personal guidance of Charles F. Kettering, vice-president of General Motors in charge of research, and inventor of the self-starter.

∴ Society and Clubs ∴

THREE ARE HONORED WITH BIRTHDAY DINNER

Sunday, April 17, Mrs. S. E. Branscum entertained in her home with a birthday dinner honoring three of her granddaughters, Misses Floye Marie Branscum, Lorene Rose and Wilma Lou Byrd.

A delicious dinner was served and a big white cake with pink candles was presented to the honorees. In the afternoon an Easter egg hunt was enjoyed.

Those present were Mr. R. Branscum, Mr. and Mrs. J. A. Rose and children, Lorene, Beulah Raye, J. C. and Leroy; Mr. and Mrs. D. W. Richardson and son, Glen; Mr. and Mrs. W. S. Branscum and daughters Wietta Sue, Betty Yvonne and Edna Floy; Mr. and Mrs. J. A. George and children, Jimmie Dee, Betty and Collins; Mr. and Mrs. A. Branscum and daughters, Reta Maxie, Colleen and Leta May; Mr. and Mrs. O. C. Byrd and children, Wilma Lou and Colis; Mr. and Mrs. L. B. Meeks and children, Leonard and Oleta Faye; Mr. and Mrs. C. R. Rose and son, Carlos Larry; and Miss Etta Blanch Daniels.

HOOT OWL CLUB

Mr. and Mrs. Grogan Turner entertained the Hoot Owl Club in their home on Union Avenue, Thursday evening.

Games of bridge were played resulting in Mrs. Bill Rountree and Mr. T. A. Thigpen winning high score.

A salad plate with strawberry short cake was served at the refreshment hour.

Those playing were Mr. and Mrs. Bob Barrow, Mr. and Mrs. Clinton Barrow, Mr. and Mrs. L. H. McBride, Mr. and Mrs. Bill Rountree, Mr. and Mrs. T. A. Thigpen and Mr. and Mrs. Hayes.

TO ART LOVERS

A beautiful picture, property of Dr. and Mrs. Joe McCrary, which was painted by Tex Moore of Wichita Falls, is on display in the window of the Rose Shoppe.

This picture is a scene in Bryce Canyon in southern Utah, which Dr. and Mrs. McCrary visited last summer and admired so much they asked Mr. Moore to paint it for them.

Tex Moore, Texas official artist, will display in Wichita Falls a

wonderful collection of his paintings which will be shown during the time of the convention of the West Texas Chamber of Commerce. This will be a rare treat for every one who enjoys beautiful and unusual paintings.

ATTENDED COUNTY FEDERATION MEETING

Mmes. Mac Brundage, Tate May, S. C. Ferguson, R. E. Johnson and E. F. Fairay attended the meeting of the Jones County Federation of Womens Club in Stamford, Saturday afternoon. They were representatives of the Hamlin Woman's Literary Club.

MRS. McCURDY HOSTESS

TO MERRY MATRONS

Mrs. R. H. McCurdy was hostess to the Merry Matrons, Wednesday afternoon in her home on Union Avenue.

Pink hydrangeas and fern were attractively arranged in the room where two tables of contract were in play. High score was made by Mrs. B. L. Jones.

At the tea hour strawberry short cake and punch was served to Mmes. Jones, John Ed Day, J. B. Eakin, Tom Williams, J. L. Keen, J. W. Ezell and M. T. Woodward.

OF INTEREST TO JONES CO. FARMERS

(Reported by County Agent)

COTTON ALLOTMENTS

P. C. Wylie, Ass't. in Agri. Cons. and F. L. Wood, Chairman of County Committee returned Friday, April 15th, from College Station, where they have been the past two weeks, working on cotton allotments for Jones County. Individual allotments are being mailed out to all regular work sheet signers. Where divisions of combinations occurred in 1938, the allotments will be sent out later. The pertinent percentage for Jones County is 40.7 per cent for cotton.

DAIRY DAY

A great deal of interest has been manifested by dairy farmers of Jones County the past week, getting ready for Dairy Day, to be held at Abilene, April 22. There have been

**A LITTLE SAVES A LOT
WHEN YOU USE OUR PAINT**

**It's
SHERWIN-WILLIAMS!**

Just out. This week's Sherwin-Williams "Room of the Week" folder. Colors, color combinations, and correct types of paint to use for a selected room. Styled by leading color experts and interior decorators. Get your copy here today. **It's free!**

FOR LOVELY LIVING ROOM WALLS **FLAT-TONE** THE WASHABLE WALL PAINT!

America's leading model homes thank S-W Flat-Tone Wall Finish for the smart, colorful, soft-toned beauty that adorns their walls. This velvety finish brings out the

charming best in drapery and furniture... its soft smoothness makes rooms far more restful, pleasant to live in. In a variety of pastel, fast-to-light colors.

FOR FURNITURE AND WOODWORK **S-W ENAMELOID**

Here's a brilliant decorative enamel for home painting. Dries in 4 hours to a finish smooth as porcelain—and

as washable! For walls, woodwork, furniture, toys, etc. S-W Enameloid comes in many sparkling colors.

TO SAVE YOUR FLOORS FROM WINTER WEAR **S-W FLOOR ENAMEL**

You know how floors of your rooms must "take it" all winter long. Protect them with this richly beautiful floor enamel. Brush out S-W Floor Enamel as it comes from the can. It dries hard overnight. Tough, long wearing, washable.

FOR KITCHEN WALLS AND WOODWORK **S-W SEMI-LUSTRE** IT'S WASHABLE!

It's the most practical of paints—and one of the most beautiful! S-W Semi-Lustre Wall Finish washes easily time after time. Makes kitchens, bathrooms, nurseries, halls and stairways easy to keep "spot clean".

twenty-seven animals listed by the following: Ralph Caffey, J. T. Williams, T. B. Douglas, R. L. Bohannon, Jess Roberts, J. W. Chandler, Bet T. Ray, L. E. Fielder, Jess Johnson, J. H. Rivers, J. J. Mickler, Bill Mickler and Lee Cauthen. Possibly other entries will be made from this county.

GRASSHOPPER WAR

Chas. H. Cable and Dr. D. R. Dixon, Entomologists from College Station, in charge of grasshopper control, made a survey of Jones County last Friday, April 15th, and found twenty grasshoppers per square foot, and estimated that only one-half of the eggs had hatched. The grasshopper campaign will begin in Jones County if weather permits, on April 28th, at which time, bran mash will be delivered to farmers at the mixing stations. There will be two stations set up in the county, at Anson and Stamford. The Chamber of Commerce of these two towns are co-operating in putting on this grasshopper campaign.

The Federal Government is furnishing twenty tons of bran, and 8 drums of sodium arsenite. The farmers must match this bran, pound for pound, with ground cotton seed hulls; also he will have to furnish molasses, if he desired to use molasses. I am informed that each of these supplies can be purchased near the mixing plant, if the farmer desires. Since this bran is mill run, it is necessary that ground cotton seed hulls be furnished by the farmer, instead of bran, as was used last year.

Mr. Gable advised to begin poisoning at time grasshoppers begin migrating.

You can get further information at your mixing plant.

Mr. and Mrs. O. O. Graham, of New Mexico, were guests this past week in the home of their brother, W. S. Graham and family. They were accompanied by Mrs. W. T. Traweck, a daughter of Mr. and Mrs. W. S. Graham.

Jones Palmer and family of Leveland came down last Friday to visit Mrs. Palmer's parents, Mr. and Mrs. J. C. Green and old friends about Hamlin.

Health-Wrecking Functional **PAINS**

Severe functional pains of menstruation, cramping spells and jangled nerves soon rob a woman of her natural, youthful freshness. PAIN lines in a woman's face too often grow into AGE lines!

Thousands of women have found it helpful to take Cardul. They say it seemed to ease their pains and they noticed an increase in their appetites and finally a strengthened resistance to the discomfort of monthly periods.

Try Cardul. Of course if it doesn't help you, see your doctor.

Get your typing paper at the Herald Office.

EXPRESSION OF THANKS

For the many kindnesses, floral offerings and friendly helpful deeds during the recent illness and at the death of our mother we express thanks and deepest appreciation.

The family of
MRS. R. W. OWEN.

Mr. and Mrs. J. S. Henry and daughter, Miss Mary Kathryn, of Dallas came up for the Easter week end with Mrs. J. F. Taylor.

WASHINGTON NEWS

FROM CONGRESSMAN
CLYDE L. GARRETT

BUSINESS OUTLOOK — Three

successive months of relatively stable production at the present level leads the government forecasters to believe that the bottom has been reached. Getting attention at present are two favorable factors. In the first place evidence that home building is showing a strong revival this spring under influence of the new Federal Housing Act credit terms. Second, the stability of the foreign market for American products stimulated by armament demands. The broad interest shown by individuals in construction of moderate priced homes has convinced the leading government economists that recovery will be brought about by home construction.

UNCLE SAM 'BUYS GOODS —

Orders for thousands of different articles every year are placed by the U. S. government. Most of these orders are for mass supplies at terms advantageous to the government for all agencies rather than a single one. How the bids should be made and when, is determined by the Division of Procurement, and most of the business is done by contract which is usually awarded to the lowest bidder. Anyone interested in selling the government may obtain a schedule of supplies the government may need in the inquirer's lines by writing to the Branch of Supply Division of Procurement, Treasury Department, Washington, D. C., or write to my office.

POULTRY AND EGG PRODUCTION—

The price of eggs appears to have reached its seasonal low point in March. And though some small declines may occur during the spring, the trend of egg prices is expected to be upward unless consumer incomes fall more than is now believed likely. Supplies of eggs are not expected to be as great as in 1937. Storage stocks are not expected to accumulate to such a size as during the past year, and a substantial reduction from 1937 appears likely in the August outlook for shell and frozen eggs. The effect of the probable smaller holdings in egg prices in the last half of 1938 will probably be to raise them above those of 1937. The price of chickens is declining relative to its 10-year average of corresponding months. By mid-year, with a larger hatch expected than in 1937, chicken prices are likely to go under those of 1937 and to remain below those of year earlier throughout the fall and winter. The relative decline is believed to have been the result of falling consumer incomes. Supplies of poultry, both in storage and on farms are quite low.

XX

SOCIAL SECURITY—In the U. S. more than 1,800,000 employers will receive new return forms for filing under the Title VIII of the Social Security Act for the quarter ending March 31, 1938. These returns take the place of three separate returns and are for the purpose of giving less difficulty to the employer to properly fill out. Thirty-six million employees will be involved in the returns.

XX

AVIATION STUDENTS—Any interested person or company may obtain various reports made by the National Advisory Committee for Aeronautics, which was created by Congress in 1915 to direct the study of flight problems and conduct research and experiments in aeronautics. These reports deal with aerodynamics, instruments and materials, fuels, helicopters, hydrodynamics, instruments and materials, meteorology, parachutes, propellers, seaplanes, stability and control, strength of construction and other subjects. Lists of the reports available may be had from the Government Printing Office, Washington, D. C.

XX

HOME BUILDING—Now is the time to build, for construction costs are rising and may reach high levels by 1939. Moreover, savings and loan associations should be liberal in financing small compact dwellings, even in suburbs.

M'CAULLEY MATTERS

By JOHN P. HARDESTY

The Negro school of McCauley, under the direction of Mrs. Mosley, teacher, rendered a program in the Chapel of the Neinda public school auditorium on last Friday. The teacher and twelve of the seventeen pupils enrolled in the school were taken to Neinda by Carroll Lee, official driver, in one of the local school busses. Mrs. Mosley's pupils gave a program in the local school chapel one day last week, which was highly appreciated by all fortunate enough to be present.

In this connection, let us remark that the colored people of this community seem to be making decided progress in a religious way. The Negro Baptist congregation are finishing their church building, where they are holding services regularly, with additions coming into their membership each week. Their Sunday School is making a most enviable record for attendance. The white people are giving them every encouragement, which is as it should be. After all, the Negro problem is the white problem. If our people will re-enforce them in their efforts toward right living and conduct they will usually make good. Those who subscribe to the doctrine of Foreign Missions are inconsistent if they do not do some of it in their home-land.

W. E. Rogers, who spent last week in the Hendrick Memorial hospital in Abilene, was returned to his home Saturday much improved. Mr. Rogers is one of the oldest settlers in this section. He is the oldest member, or rather has been a member of the local Baptist church for a longer period than any other male member. His friends rejoice that he is recuperating from a nervous breakdown.

Miss Vera Tate, teacher in the local school, was kept home from school for several days suffering from a severe cold. Glad to report her back on the job. Others on the sick list are Lee Hendon, J. T. Rhott and Mrs. Turner Houghton.

Mr. and Mrs. Jack Johnson motored to Snyder, Saturday evening where they visited Mr. Johnson's sister, Mrs. C. F. Stovall, who is receiving treatment in the Snyder hospital.

Mrs. Newman Bender of California, daughter of Mr. and Mrs. Frank Maberry, is spending some days visiting her parents and other relatives here. Her sister, Mrs. Creed Smith, of Hamlin, visited with home folks Sunday.

Mrs. Clifford Fancher and daughter, Margaret and Mrs. Fancher's sister, Mrs. Jim Burleson, all of Lamesa section, visited relatives here the first of the week.

The Hardestys had all their children and their families home with them for Easter Sunday.

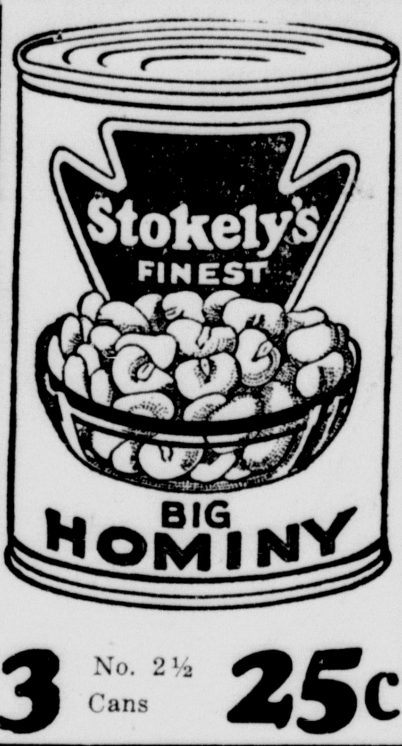

Prof. Nelson A. Hutto, a teacher in Sunset High School, Dallas, and formerly head of the Department of Journalism in Hardin-Simmons University, Abilene, was guest speaker for the Simmons "Founders Day" program at the Baptist church last Sunday morning. Others taking part on the program were Mr. and Mrs. Roy Hennington, Mrs. W. C. Jackson, Latane Akins and H. P. Powers. Other Alumni and ex-students of H. S. U. present were Mr. and Mrs. John A. White, Brownwood, Mrs. Nelson A. Hutto, Mrs. Newman Bender, California, Melba McKinney, Ila Eivens, Edwin Johnson, Mr. and Mrs. D. L. Smith, Mrs. H. P. Powers, Ernest and Milton Webb, Kenna Rector, Mrs. George Darden, John P. Hardesty and John P. Jr.

Mr. and Mrs. Byron Maberry are entertaining a new daughter at their home, who arrived April 12. Her name is Arella Sue, (if that is the way to spell the name.)

A daughter, Nellie, has also arrived to take up board with Mr. and Mrs. Walton Johnson, born April 7. Bonnie Bingham has moved his barber shop into the new building recently constructed for him by W. A. Hemphill, just north of the ice house.

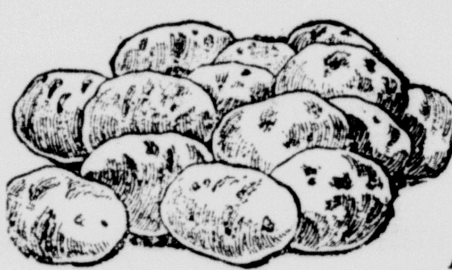

The Baptist parsonage is nearing completion. A porch is being added on the west side this week. More painting is being done as friends find time to spare from their own work to help out. Among recent donors to the expense fund, we acknowledge with gratitude a substantial contribution from R. C. (Bob) Owen, of Rotan.
